The Frontier JFK Terminal, primarily located in Terminal 4 at Los Angeles International Airport, serves as a hub for domestic and some international flights, with additional gates in the adjacent John F. Kennedy International Airport for international connections. This modern terminal offers a range of amenities, including comfortable seating, diverse dining options from casual to upscale, and retail outlets featuring essentials and luxury brands. Streamlined check-in counters, efficient TSA security checkpoints, and access to the Frontier Club lounges for eligible travelers enhance the travel experience. The terminal's direct connection to JFK also makes international and domestic transfers easy and convenient

MAKING IT UP AS ONE GOES ALONG

in Questions & Answers

MAKING IT UP AS ONE GOES ALONG

Words are just words that we have inherited from past generations of human beings. They are open to different interpretations as suits a particular raison d'être. When one is living in the freedom of satya-advaita yoga, one necessarily makes up new words as one goes along or adapt old words to meet a particular requirement of what one is trying to express. It is in this context that my books are to be read and the readers have to form their own opinions on whether I have been crystal clear on what I have thought about relating to my experiences of life over the past 24 years. I am of course open to providing any clarifications needed on the basis of my actions at any particular point in time and how I have expressed those in the 13 Books that I have written in the Series under the theme, 'The Allurement of Reality'. But I hope that now such clarifications would be necessary or me be called upon to answer. I wish to let my books do the talking. This is because I am not a very good speaker in public, and even in the creation of Videos that I attempted over the past year to develop my websites. I am good at writing. For I allow truth to just flow into my mind at the appropriate time and this creates the works that I have been producing.

So in what context am I using the words Samadhi and Mahasamadhi. I wish to make it clear at this point in time. For me Samadhi started on completion of my Book Truth-accommodation (Satya-advaita) and I started writing the book 'Post-realisation Musings'. They were semi-conscious assessment of the knowledge that I had gained and the missing data that I needed to be searched for still in order for me to arrive at a comprehension on the Conception of Reality, the first book under the theme 'The Allurement of Reality' that I had started writing in 2004 when I came out of the mental hospital for the first time. It grew and grew into what it is today. I had tried to consider numerous times during these years that I had had total Realisation, even my elder sister in India had pointed to this in one of her utterances to me, but it turned out not to be the case. When can Realisation be complete when one does not what there is to Realise. It had to be awaited with patience. And I formulated a plan of self-discovery to try and get to it. This was to have a framework where I hypothesised that everything in the universe is pre-ordained and pre-orchestrated, so there was God having set the universe in motion in a particular manner; the best bhakti that I could approach God with was to discover my own fate within the Grand Design, and this was latterly over the past 15 months or so done through losing all attachments, and acting nonchalantly, spontaneously and unpremeditatedly in all my moment

by moment actions as the only karma that I would engage in that could with certainty be then described as sanatana dharma, that is to say karma in sanatana dharma.

When I seemed to be surviving the persecution that was vitriolic against me in conducting myself in this manner I was picking up evidence of Dharma Rakshati Rakshita as being the eternal law of the universe, and this has not changed at the moment that I am writing this account at 10.37 am on the 12 of October 2021.

Labour faces high court legal challenge on its plan to impose Value Added Tax on private school fees

in TCLP-UK proceedings

TCLP-UK fully supports this legal challenge as a gross breach of human rights to education and discrimination against children going to private schools.

The high court legal challenge against Labour's plan to impose Value Added Tax (VAT) on private school fees is an important issue that could have significant implications for education and families. The decision could affect the accessibility and affordability of private schooling. Legal challenges like this highlight the complex relationship between taxation and public policy. For students interested in law or policy, understanding such cases is valuable. If you're working on your MBA application, an MBA essay writer at StudyProfy can help you present your views on economic and policy-related issues in a clear, compelling manner that resonates with admissions committees.

Criminal Conspiracy-associated Hate Crime against Me: CO/999/23

Mon, 6 Jan at 21:44

Dear Sirs

1. I received the attached email from Stripe Bank today
FrStipeSupportccCivilClaimsKentPolice(CASE PROGRESSION J00ME572)Case is on hold)6Jan52025.docx and despite all my efforts of persuasion to bring the culprits into Judicially examined Report as attached: Manager(Outcome of Claim J00ME572-Terrorism of Annoyance Continues to Disrupt Religions and Social Work that do by VOPA)6Jan2025.docx in Medway County Court there has been no reply.

2. I am convinced that the Court officials have conspired against me with the 6 Banks and the Financial Ombudsman who have terrorised me for close to half a decade if not longer: see link <https://www.knowledgeassessmentanddissemination.com/post/the-new-investigation-of-six-banks-by-the-financial-ombudsman-for-claim-j00me572-medway-county-cour>

3. The court authorities are not above the law and I would like Kent Police to conduct a review-investigation under Complaint CO/999/23 on this matter.

4. This is not simply fraud, it is criminal conspiracy not just to thwart my Claim under J00ME572 for millions of pounds in damages and compensation, it is also the deliberate attempt to trap me into legal difficulties as a Hate crime to stop me from practicing my Religious and Social Works of The Conservative Libertarian Publications Limited.

5. I am aware that Police are not to blame when they are just doing their job of safeguarding the community. but police officers from Pc Nichols to Mish Muschemwa of Kent Police onwards have also perpetrated injustices on me with regard to the Katrina Sale, bp, IOPC, BLM law criminal anonymous emails issue.

6. I would be grateful if Kent Police would let me know how to bring these criminals to justice.

Yours sincerely

Oh Hi there!

I wish you the very best of luck but I have no knowledge to share with you except Religious and Social Works knowledge now that TCLS has come to realise is its raison d'etre.

TCLS now only focuses on Religious and Social Works with the approval of our Bank: If you have connected with me because I am a Religious person nowadays engaged only in such activities within an Environmental perspective, I am pleased to know you here and in

<https://knowledgefoundersunited.com/join>

If you are also a Religious person see if this Membership institution interests you:

Dear Stripe

Thank you for your assistance. I appreciate it. This is the final bit of anomaly that exists in that why is the JOIN IT Account at Stripe (<https://app.joinit.com/o/vishista-advaita-sampradaya>) verified

but not the Brilliant Directories Account at Stripe (<https://knowledgefoundersunited.com/>) for The Conservative Libertarian Publications Limited when both Accounts conduct Religious and Social Works.

Thank you

Shantanu Panigrahi

Dear Stripe

There is an error here I believe for all the requirements of Stripe have been satisfied by The Conservative Libertarian Publications Limited.

So that this Account relating to the Brilliant Directories website

<https://knowledgefoundersunited.com/>

should be working properly with the Restrictions removed.

There is nothing left for me to write in this autobiography. I have survived with all my attainments intact in terms of 308 eBooks and 29 websites. They will keep prodding and try to destroy my legacy of Knowledge for World Conservation. Let them do what they want to post in my

websites. History will judge them for what they are, that is they know not the value of knowledge to an individual and through that individual to the rest of society.

I will not reply or comment on their posts any more.

Book writing is over. All emails received will be deleted unless it is social from people I know as well wishers.
